Sabrina,

Here are the changes for the Upper Animas River Report.

Pages 8, 9, 10, 12, 13, & 17 would be replaced. Also the first page of the HRS QuickScore Assumptions has been corrected.

I improved the title of Table 1 (page 10) so it should be replaced.

If these changes are OK then I will send you as many copies of each page as you will need.

Thanks
